**Eschborn / Wiesbaden, February 12<sup>th</sup> 2018.** In the quarter VERSO in Wiesbaden a new Best Western hotel is arising, which shall open at the end of 2018. It is part of a building complex only a few minutes from the central station and the new RheinMein CongressCenter, which will open this spring. It consists of three L-shaped individual properties with six to eight floors each. The three-star-superior hotel will offer 165 rooms on five floors as well as a staggered floor with an overall of 5,800 square metres rental space.

The lease agreement was concluded for 25 years with B. W. Hotel Betriebsgesellschaft in Eschborn. Wiesbaden can look forward to welcoming another world-renowned brand this year. The new Best Western hotel will offer 165 air-conditioned rooms in four room types. All rooms have floor-to-ceiling windows and are equipped with state-of-the-art technology and a high-quality double bed. Indirect light creates warmth, timeless and cozy elements create a feeling of home. The open lobby is the heart of the hotel with areas to work and relax. The casual bar-bistro concept offers guests small meals and refreshing drinks. In addition, a high-quality fitness area will be created. The hotel's interior design reflects the American roots of Best Western. Classical motifs such as the Monument Valley decorate the walls of the rooms and sea cows from Florida greet the guests in the shower. The design of the gym is inspired by the famous Venice Beach in Los Angeles.
